Center Road Church of Christ Rock Climbing Interest Form

Would you consider being an event sponsor, coach, judge or door monitor?

- Sponsor—An event sponsor simply encourages students to participate in activities that help them climb. Sponsors help look for and provide opportunities for our students to use their ultimate challenges in this congregation and in our community.
- Coach—mentors students here in the congregation as they take on Ultimate challenges. Coaches play an advisory role. Adults and High School students can fulfill this role. Sometimes parents serve as coaches for their children.
- Judge — Events at the convention in May need volunteers to Judge and there are some things judged here at Center Road. For the most part, no special expertise (*) is needed, just a willing heart.

You can talk to **Rusty Maynard** about getting a copy of the rules & criteria (or visit our website at www.centerandpark.org and click on **MWLTC**.)

() Signing & Interpreting for the Deaf judges should be familiar with sign language.*

Email or print out and put in Rusty's Box ASAP.
